---

1. Introduction

Welcome to the **SKS College of Nursing** Management System — Cashier Edition.

As a **Cashier**, you are responsible for collecting fees from students and maintaining accurate financial records. Every rupee that comes into SKS College flows through your counter. Accurate recording, proper receipts, and daily reconciliation keep the college's finances clean and audit-ready.

This guide walks you through everything you need to do your job well.

2. Your Role

What You Can Access

Section	Access
Dashboard	✅ Cashier Dashboard
Enquiries	✅ View only (for context when collecting)
Fee Payments — Collect	✅ Full
Payment History	✅ Full
Reports	✅ Collection and receipt reports
Fee Finalization	❌ College Admin only
Admission Creation	❌ Front Office / College Admin only
Document Submission	❌ Front Office / College Admin only
Preferences / Settings	❌ Not accessible

What You Can and Cannot Do

Task	Cashier	Reason
Collect student payment	✅ YES	Primary responsibility
View enquiry payment history	✅ YES	To verify payments
Finalize student fees	❌ NO	Pricing authority — College Admin only
Submit student documents	❌ NO	Admission process — Front Office only
Create student admission	❌ NO	Enrollment authority — Front Office/Admin
Generate collection reports	✅ YES	Financial accountability

Payment Shortcut from Enquiry List

You see the enquiry list with one key shortcut button:

Button	Required Status	What It Does
💳 Collect Payment	`FEES_FINALIZED` or `PARTIALLY_PAID`	Opens payment form pre-filled with student data

---

3. Getting Started

Logging In

1. Open browser → navigate to CMS application
2. Redirected to **Keycloak login**
3. Enter your **college email and password**
4. Cashier dashboard loads

Counter Setup Checklist (Start of Day)

```
BEFORE OPENING COUNTER:
  [ ] Log into CMS system
  [ ] Test receipt printer (print a test receipt)
  [ ] Count starting cash in drawer — note opening balance
  [ ] Verify card terminal is working (if available)
  [ ] Check system dashboard for any alerts
  [ ] Note any large cheques or transfers expected today
  [ ] Confirm college bank account details visible for NEFT guidance
```

---

4. Cashier Dashboard

Dashboard Widgets

Widget	What It Shows
Collected Today	Total fees received today
Payments Processed Today	Number of transactions
FEES_FINALIZED Enquiries	Students ready to pay
Outstanding Balance (total)	All pending fee amounts
Collections This Month	Month-to-date total
Payment Methods Today	Breakdown: Cash / NEFT / UPI / Cheque / Card

Monthly Target Widget

A progress bar shows collection vs. month's target:

```
April 2026 Collection:
[▓▓▓
```

5. Payment Collection

Payment Flow

╓═══════════════════════════════════════════════════════════════╖
╒═══════════════════════════════════════════════════════════════╕
```

```
        ▼
Update student:
  "Payment recorded. Balance = ₹X"
  "Please collect documents when ready next"
```

5.1 From Enquiry Shortcuts

The fastest way to collect a payment is from the **Enquiry List**:

1. Navigate to **Sidenav → Admission Management → Enquiries**
2. Search for student by name or phone number
3. Look for 💳 **"Collect Payment"** button (teal/green, right column)
   - This appears only if status = `FEES_FINALIZED` or `PARTIALLY_PAID`
4. Click the button
5. Payment form opens with student details pre-filled
6. Enter payment details and save

5.2 Cash Payments

When: Student pays in person with physical cash.

Procedure

1. **Count the cash** before touching the register:
   - Count once in front of student
   - Count again for confirmation
   - Announce amount: "I have received ₹50,000"
2. **Open Enquiry → Click Collect Payment**:
   - **Amount Paid**: `50000`
   - **Payment Date**: Today's date
   - **Payment Method**: `CASH`
   - **Transaction Reference**: Leave blank (not required for cash)

   - **Remarks**: e.g., `Cash received — Year 1 first instalment`
3. **Save and print receipt**
4. **Hand receipt to student**

Safety Tips for Cash

- Never leave cash on the counter unattended
- Use cash box / drawer with lock
- Do not mix personal cash with college cash
- Reconcile cash drawer at end of every session

5.3 Cheque Payments

When: Student provides a bearer/crossed cheque.

Procedure

1. **Verify the cheque**:
   - Payee name: **"SKS College of Nursing"** (exactly)
   - Amount in words matches amount in numbers
   - Date is today or recent (not post-dated unless authorized)
   - Signed by account holder
   - Not cancelled or overwritten
2. **Enter in system**:
   - **Amount Paid**: Amount written on cheque
   - **Payment Method**: `CHEQUE`
   - **Transaction Reference**: Cheque number (printed at bottom of cheque, e.g., `112345`)
   - **Remarks**: `Cheque #112345 — Indian Bank, Coimbatore`
3. **Give receipt to student** (with note "subject to cheque clearance")
4. **Store cheque in secure folder**:
   - Label with: Student name, enquiry ID, amount, cheque #

5. **Prepare for bank deposit** (weekly)

Cheque Verification Checklist

```
[ ] Payee is "SKS College of Nursing"
[ ] Amount in words = amount in numbers
[ ] Cheque is signed
[ ] Not post-dated beyond current date (unless authorized)
[ ] No overwriting or corrections
[ ] Bank name and account holder name visible
```

5.4 NEFT / RTGS / UPI Payments

When: Student transfers money from their bank or UPI app.

Types

Type	Amount Range	Notes
UPI	< ₹2 lakh / transaction	Instant, confirm SMS
NEFT	Any amount	2-hour cycles, confirm UTR
RTGS	≥ ₹2 lakh	Same-day, confirm UTR

Important: College Bank Account Details

Provide students with official transfer details:

```
Beneficiary Name:  SKS College of Nursing
Account Number:    [Obtain from Finance Manager]
IFSC Code:         [Obtain from Finance Manager]
Bank & Branch:     [Obtain from Finance Manager]
UPI ID:            [If available]
```

> ⚠️ *Always get these from your Finance Manager. Never share unofficial account numbers.*

Procedure

1. **Ask student for proof of transfer**:
   - Bank SMS: "NEFT transfer ₹50,000 to SKS College of Nursing, UTR: xxxxxxxx"
   - Or UPI app screenshot with transaction ID
   - Or bank transaction reference sheet
2. **Verify transfer received** (if you have bank portal access):
   - Check that amount matches
   - Verify student name or reference in narration
3. **Enter in system**:
   - **Amount Paid**: `50000`
   - **Payment Method**: `NEFT` / `UPI`
   - **Transaction Reference**: `UTR20262704XXXXXX` or `UPI Ref: 12345ABCDE`
   - **Remarks**: `NEFT from [Bank Name]: UTR confirmed`
4. **Print receipt and give to student**

5.5 Card Payments

When: Student pays using credit or debit card at campus POS terminal.

Procedure

1. **Swipe/Tap the card** on campus POS terminal
2. Enter amount
3. Student approves on terminal
4. Terminal prints **authorization receipt**
5. Note the **Authorization Code** from terminal receipt
6. **Enter in system**:

- **Amount Paid**: Amount from terminal
- **Payment Method**: `CARD`
- **Transaction Reference**: Authorization code from terminal
- **Remarks**: `Card payment — Last 4 digits: XXXX`

7. **Give student**: both terminal slip and system receipt

If Terminal Fails

- Restart terminal (power off → wait 10 sec → power on)
- If still not working, offer student another method: NEFT / Cash
- Contact POS support: [Number from Finance Manager]
- Never attempt manual card entry

5.6 Partial Payments

Students may pay in **instalments**. Record each payment separately.

Example — Student Meena Rajendran, B.Sc Nursing (Fee: ₹1,03,000)

Date	Payment	Method	Balance
27-Apr-2026	₹50,000	NEFT	₹53,000
15-May-2026	₹30,000	CASH	₹23,000
01-Jun-2026	₹23,000	UPI	₹0

- After 1st payment → Status: `PARTIALLY_PAID`
- After 2nd payment → Still: `PARTIALLY_PAID`
- After 3rd payment → Status changes to: `FEES_PAID`

> ***Note**: Students can proceed to document submission even with partial payment. However, full payment must be cleared before admission.*

---

6. Payment Receipts

Every payment generates a **system receipt** with:

```
┌──────────────────────────────────────────────────────────┐
│              SKS COLLEGE OF NURSING                      │
│      [College Logo]  Coimbatore – 641 XXX                │
│   Phone: +91-422-XXXXXXX   Email: info@sks.edu.in        │
├──────────────────────────────────────────────────────────┤
│                  PAYMENT RECEIPT                         │
│                                                          │
│  Receipt No:   RCP-SKS-20260427-001                      │
│  Date:         27-Apr-2026                               │
├──────────────────────────────────────────────────────────┤
│  Student Name: Meena Rajendran                           │
│  Program:      Bachelor of Science in Nursing            │
│  Enquiry ID:   ENQ-2026-042                              │
├──────────────────────────────────────────────────────────┤
│  Amount Paid:  ₹50,000.00                                │
│  Payment Mode: NEFT                                      │
│  Reference:    UTR202604XXXXXXXX                         │
│  Collected by: Mr. Vijay Kumar (Cashier)                 │
├──────────────────────────────────────────────────────────┤
│  Balance Due:  ₹53,000.00                                │
│                                                          │
│  "All fees subject to INC regulations"                   │
│  This is a computer-generated receipt.                   │
└──────────────────────────────────────────────────────────┘
```

Receipt Actions

Button	What It Does
Print	Sends to connected printer
Email	Sends receipt PDF to student's registered email
Download	Downloads receipt as PDF to your computer
Close	Dismisses receipt screen

7. Payment Records

Accessing All Payments

All recorded payments are visible in the enquiry list.

Navigate: Admission Management → Enquiries → Click on student → Payments tab

The **Payments tab** shows: - Each receipt with receipt number - Amount, method, date - Collected by (who recorded it) - Balance after each payment

Payment Statuses

Status	Meaning
COMPLETED	Payment received and confirmed
PENDING	Recorded but awaiting bank confirmation
FAILED	Cheque bounced / transfer failed
REFUNDED	Payment returned to student

8. Daily Reconciliation

End-of-day reconciliation ensures that what is in the system matches what is physically in your hands.

Reconciliation Workflow

```
╔═══════════════════════════════════════════════════════════════╗
╔═══════════════════════════════════════════════════════════════╗
═══════════════════════════════════════════════════════════════
═══════════════════════════════════════════════════════════════
═══════════════════════════════════════════════════════════════
```

```
  • Note any discrepancies
  • Mention any pending cheques
  • Subject: "SKS Cashier Report — [Date]"

STEP 6: Secure and Close
  • Lock cash drawer
  • Place cheques in secure folder/safe
  • Log out of system
  • Turn off terminal
```

---

9. Reports

Navigate: Sidenav → Reports

Reports Available to Cashier

Report	Description	Frequency
Daily Collection Report	Today’s payments by method	Every day
Weekly Collection Summary	7-day breakdown	Every Friday
Monthly Collection Report	Month’s total with trends	Monthly
Receipt Report	Detailed list of all receipts issued	As needed
Outstanding Balance Report	Students with pending payments	As needed

How to Generate the Daily Collection Report

1. Navigate to **Reports → Daily Collection Report**
2. Date auto-fills with today
3. Click **“Generate”**
4. Review:
    - Total collected
    - Cash subtotal
    - NEFT/UPI subtotal

- Cheque subtotal
- Card subtotal

5. Click **"Export to PDF"** → Download
6. Email to Finance Manager

Outstanding Balance Report

Shows students who haven't paid full fees:

1. Reports → Outstanding Balance Report
2. Optional: filter by Program (e.g., `B.Sc Nursing`)
3. Generate
4. Columns:
   - Student Name
   - Program
   - Finalized Fee
   - Paid So Far
   - **Balance Due** (highlighted)
   - Last Payment Date

Use this for: Follow-up call list, budget planning, fee collections drive.

---

10. Daily Workflows

Workflow: Start of Business

```
8:30 AM
  ├─ Log into CMS
  ├─ Check dashboard for FEES_FINALIZED enquiries
  │      These students are ready to pay — call/message them
  ├─ Count opening cash balance
  ├─ Verify printer and terminal working
  └─ Note any cheques pending bank deposit
```

Workflow: Processing a Student Payment (Step-by-Step)

```
Student arrives at cashier counter:
"I want to pay my B.Sc Nursing fees"
        │
        ▼
Cashier: "Please provide your name / phone number"
        │
        ▼
Search in Enquiries: Find "Meena Rajendran"
  Status: FEES_FINALIZED
  Fee finalized: ₹1,03,000
  Paid so far:   ₹0
  Balance:       ₹1,03,000
        │
        ▼
Cashier: "Your fee is ₹1,03,000. How much would you like to pay today?"
        │
        ▼
Student: "I'll pay ₹50,000 by NEFT. Here is the bank transfer reference."
        │
        ▼
1. Click "Collect Payment" button for this enquiry
2. Amount: 50000
3. Method: NEFT
4. Reference: UTR20262704XXXXXX
5. Date: 27-04-2026
6. Remarks: First instalment
7. Click "Collect Payment"
        │
        ▼
Receipt generated:
  RCP-SKS-20260427-001
  Amount: ₹50,000
  Balance: ₹53,000
        │
        ▼
Print receipt → Give to student

"Your payment of ₹50,000 has been recorded.
 Balance remaining: ₹53,000.
 Please clear it before starting document submission."
```

Workflow: End of Day (Closing Procedure)

```
5:00 PM
  ├─ Stop accepting new payments (or as per policy)
  ├─ Generate Daily Collection Report
  │      Print or note: Cash, NEFT, UPI, Cheque, Card totals
  │
  ├─ Cash Reconciliation:
  │      Count cash → Must match system CASH total
  │      Discrepancy? → Investigate, document
  │
  ├─ Cheque Management:
  │      Count cheques → Match with system
  │      Place in secure folder labeled with date
  │
  ├─ Online Transfers:
  │      Check bank portal → Confirm transfers posted
  │
  ├─ Prepare Summary:
  │      Email to Finance Manager:
  │        • Total collected today: ₹___
  │        • Cash: ₹___, NEFT: ₹___, UPI: ₹___, Cheque: ₹___
  │        • Pending collections: [list]
  │
  └─ Secure and Log Out
```

11. Troubleshooting

Student says they paid via UPI but system shows no payment

Solution: 1. Ask student to show UPI app → Transaction history 2. Note the **Transaction ID** and **Amount** and **Date** 3. Check if it matches college bank UPI ID 4. If yes → Record payment with that transaction ID 5. If no → Student may have paid wrong UPI ID - Contact Finance Manager for resolution

Cheque bounced after deposit

Solution: 1. Bank notifies you (usually within 2-3 business days) 2. Update payment status to `FAILED` in CMS (contact Admin if you cannot update) 3. Call student immediately: - “Your cheque #112345 for ₹50,000 was returned by the bank” - “Please bring cash or NEFT payment within 2 days” 4. Per college policy, a cheque bounce fee may apply 5. Do not update enquiry status until cleared 6. Document the bounce with bank memo as evidence

---

Cash amount doesn’t match at end of day

Solution: 1. Do NOT skip this step 2. Recount cash carefully (in a quiet space) 3. Review all cash transactions entered today: - Navigate to Reports → Daily Collection → Cash only 4. Compare each entry vs. your paper receipt stubs 5. Discrepancy found? - Short (less cash than expected) → May have given wrong change; check all transactions - Over (more cash than expected) → May have over-collected; contact student 6. Document finding regardless 7. Report to Finance Manager before leaving

---

Card terminal not working

Solution: 1. Restart terminal: power off → wait 10 seconds → power on 2. Re-attempt the transaction 3. If still failing: - Offer student alternative: UPI / Cash / NEFT - Note terminal failure on your daily report - Contact IT or terminal provider for repair

---

Printed receipt is blank

Solution: 1. Check if paper roll is loaded (thermal paper, correct side up) 2. Try printing a test receipt from printer test button 3. If test receipt also blank → Paper loaded wrong way; flip it 4. If paper is good but still blank → Call IT support 5. In the meantime: show receipt on screen to student and email the PDF

---

12. Quick Reference

Payment Method Quick Summary

Method	Reference Needed	Notes
