1. Introduction

Welcome to the **SKS College of Nursing** Management System — Front Office Edition.

As a **Front Office representative**, you are the first face students and parents see when they contact SKS. You create enquiry records, guide students through the admission process, collect payments, and upload documents. Your role spans from first contact all the way to creating the student's admission record.

---

```

How to Change Status

1. Open the enquiry
2. Click the **status badge** next to the student's name
3. Choose the new status from the dropdown
4. Confirm

Manual Transitions You Can Make: - `ENQUIRED` → `INTERESTED` (when student confirms) - `ENQUIRED` → `NOT_INTERESTED` (if student declines) - `NOT_INTERESTED` → `INTERESTED` (if student changes mind)

6. Payment Collection

As Front Office, you can collect payments from students who have had their fees finalized.

How to Collect a Payment

Method A (Recommended): From Enquiry List Shortcut

1. Navigate to **Enquiries list**
2. Find student with status `FEES_FINALIZED` or `PARTIALLY_PAID`
3. Click 💳 **"Collect Payment"** button (teal/green button on the right)
4. Payment collection screen opens with enquiry auto-filled
5. Enter payment details:

Field	Example
Amount Paid	`50000`
Payment Date	`27-04-2026`
Payment Method	`CASH` / `CHEQUE` / `NEFT` / `UPI` / `CARD`
Transaction Reference	Cheque No / UTR / UPI Ref ID (if applicable)
Remarks	`Year 1 first instalment`

6. Click **"Collect Payment"**
7. Receipt is displayed — print or email to student

Method B: From Enquiry Detail View

1. Open enquiry → click Payments tab
2. Then record payment from there

Payment Methods Accepted at SKS

Method	When	Reference
CASH	At counter	No reference needed
CHEQUE	At counter	Record cheque number (e.g., `CK112345`)
NEFT / RTGS	Bank transfer	UTR number (e.g., `UTR20262704XXXXX`)
UPI	Phone transfer	UPI Transaction ID
Card	At campus terminal	Authorization code
DD	At counter	DD number and bank

Understanding the Receipt

After payment is recorded, the system shows a receipt like:

```
┌──────────────────────────────────────┐
│     SKS COLLEGE OF NURSING           │
│         PAYMENT RECEIPT              │

```

Partial Payments

If a student cannot pay the full amount: - Record the amount they are paying (e.g., ₹50,000 of ₹1,03,000) - Status changes to `PARTIALLY_PAID` - Student can still proceed to document submission - System tracks balance automatically - Remind student of remaining balance

---

7. Document Management

Collecting and verifying documents is one of your most important responsibilities. **All 7 documents must be uploaded** before a student can be admitted.

Mandatory Documents — INC Requirements

SKS College of Nursing requires these **7 documents** for every admission:

#	Document	Requirement
1	**10th Grade Marksheet**	Minimum 45% aggregate
2	**12th Grade Marksheet**	Science stream — Biology + Chemistry + Physics compulsory
3	**Transfer Certificate**	From last school/college with “conduct: good”
4	**Aadhar Card**	Valid government-issued ID
5	**Passport Photo**	White background, recent, 4×6 cm
6	**Medical Fitness Certificate**	From registered medical practitioner, dated within 6 months
7	**Blood Group Report**	From accredited hospital or diagnostic lab

Verifying Each Document

10th Marksheet

- All subjects and grades visible
- School name, year, and board clearly stated
- Not a photocopy of a photocopy

12th Marksheet

- Must show **Biology**, **Chemistry**, and **Physics** as subjects
- Mark above minimum (45% general / 40% SC-ST)
- Science stream confirmed

Transfer Certificate

- On institution letterhead
- Mentions “conduct: satisfactory” or “good”
- Signed and stamped

Aadhar Card

- Both sides scanned
- Card is valid and not expired
- If no Aadhar, accept Voter ID or Passport with note

Passport Photo

- White/light background
- Recent (within 6 months)
- Clear face visible, no glasses or headwear

Medical Fitness Certificate

- On doctor’s official letterhead

- Doctor must be registered (IMA or State Medical Council)
- Must state student is “fit for nursing education”
- **Dated within 6 months** — reject older certificates

Blood Group Report

- From accredited lab or hospital
- Shows blood group clearly (e.g., B+, O-, A+)
- Name matches student’s name on other documents

Submitting Documents

Once all 7 are uploaded and verified:

1. Scroll to bottom of document submission screen
2. Click **“Submit Documents”** button
3. System checks:
   - All 7 mandatory documents present?
   - At least UPLOADED (not necessarily VERIFIED)?
4. If all present → Status changes to `DOCUMENTS_SUBMITTED`
5. Success message confirms submission

---

8. Admission Creation

When a student’s enquiry is in `DOCUMENTS_SUBMITTED` status, you can create their official admission record.

Create Admission from Admission Completion Screen

Navigate: Sidenav → Admission Management → Admission Completion

1. Screen shows all enquiries with `DOCUMENTS_SUBMITTED` status
2. Search for your student
3. Click on the enquiry
4. Click **“Create Admission”** button

  └─ Generate daily collection report

5:00 PM — End of Day
  ├─ Review pending actions on dashboard
  ├─ Note follow-up tasks for tomorrow
  └─ Log out of system
```

---

11. Troubleshooting

Cannot see 💳 Collect Payment button

Cause: Student's fee has not been finalized yet by College Admin.

Solution: - Check enquiry status — must be `FEES_FINALIZED` or `PARTIALLY_PAID` - If status is `INTERESTED`, the College Admin has not yet finalized the fee - Contact College Admin to finalize fee first - Once finalized, button will appear automatically

---

Cannot upload a document

Cause: File format or size issue.

Solution: - Accepted formats: **PDF, JPG, PNG** only - Max file size: **5 MB** per document - If file is larger: compress the image (use Paint, mobile photo settings, or online compressor) - Try a different browser (Chrome recommended)

12th Marksheet rejected — wrong stream

Situation: Student's 12th marksheet doesn't have Biology.

Solution: - Explain INC requirement: Biology is compulsory for B.Sc Nursing - GNM accepts students without Biology — suggest this program - If they want B.Sc Nursing, they may need to re-appear for Biology exam

---

Medical Fitness Certificate is outdated

Situation: Certificate is more than 6 months old.

Solution: - Reject the document with note: "Certificate dated more than 6 months ago. Please resubmit." - Provide student with list of nearby hospitals/clinics for quick check - Remind them the certificate must explicitly say "fit for nursing study"

Cannot find student in enquiry list

Possible Causes: 1. Different phone number used when enquiry was created 2. Different name spelling 3. Date filter is excluding their enquiry date

Solution: - Try searching by phone number - Clear all filters and search again - Check if enquiry is under a different name (family name used first)

Student says they paid but system shows balance outstanding

Solution: - Ask for payment receipt number - Search by receipt number in the enquiry's Payments tab - If receipt not found, check if payment was recorded under a different enquiry - If not found anywhere, the payment may not have been entered - Ask for bank SMS or UPI notification as proof - Record payment with transaction reference from their proof

---

12. Quick Reference

Nursing Program Eligibility — Quick Check

Program	Minimum Qualification	Min %	Stream Required
B.Sc Nursing	12th Pass	45% (Gen) / 40% (SC/ST)	Science (Bio+Chem+Physics)
